RAINBOW DAYS FIVE YEAR OLD ENRICHMENT CLASS

WELCOME TO RAINBOW DAYS!!!

This program, sponsored by the community of St. Jude Catholic Church, is called a five-year-old Enrichment Class. We have chosen to call this class for five-year-old children an “enrichment” class and not a kindergarten class in order to give children the growth and gift of a year. When the class was developed we worked closely with an administrator and a kindergarten teacher in the school district to develop our objectives, and guarantee that we were aware of the districts expectations of five and six year olds. Children completing the class will be recommended to advance to kindergarten or first grade at the end of the year. The staff works with you in choosing what is best for your child.

Rainbow Days has been developed to provide an intellectual, social, religious, physical, and emotional environment that will benefit young children, their families, and the community. We are licensed as a child-care center that enables us to provide your children with a five-hour a day program.

Activities planned throughout the day, are age appropriate. The program we are offering is geared toward helping children develop habits of observation, questioning, and listening. Your child will have the opportunity to express himself or herself creatively through art activities, music, science cooking activities, storytelling, dramatic play and the use of educational manipulatives. We believe in “hands on” learning activities for children. Your child will be given the opportunity to interact with children at their own age level.

OUR PHILOSOPHY

Our philosophy is based on the belief that every child is a wonderful gift from God, made in His image and likeness, and that they are filled with dignity, goodness, and an incredible potential for discovery, learning, and growth. We believe in providing age appropriate activities for the children that will develop and enhance their natural curiosity and imagination. We also believe that parents are the primary teachers of their preschool children, and that they are entrusting them to our loving care. Accordingly, the family is an integral part of our program.

OUR GOALS

MINISTRY GOALS: To provide a general Christian atmosphere through the efforts of the teachers and caregivers.

GOALS FOR THE CHILDREN

RELIGIOUS: To provide opportunities to experience the loving care of loving adults whose own lives exemplify commitment to the Christian community.

INTELLECTUAL: To provide opportunities for meaningful play that is based on the child’s individual needs, interests, and abilities that will build important foundations for future reading skills and other academic pursuits.

SOCIAL: To provide opportunities for being with other children in a setting conducive to the development of wholesome social relationships.

EMOTIONAL: To provide opportunities to develop a healthy self-image.

PHYSICAL: To provide opportunities that will facilitate growth through the use of motor skills.

GOALS FOR THE PARENT

To provide opportunities to meet other parents who have as their common concern the needs of their preschool children.

GOALS FOR THE COMMUNITY

To provide opportunities for people of different religious backgrounds to work together for a common interest.

COMMUNITY PARTNERSHIP

Rainbow Days, along with other area private preschools, is partnering with Allen Independent School District in a program called “Community Partnership”. Our role in this partnership is to provide a developmentally appropriate setting for a preschool aged child from the districts’ early childhood program.

RAINBOW DAYS PARENT ADVISORY COMMITTEE

The Rainbow Days program is overseen by a group of St. Jude parishioners who are selected to serve on the committee through a self-nomination procedure. The committee consists of ten members in addition to the pastor of the parish, the director, and the assistant of the program. The members serve for two years and the officers are selected from the members of the existing committee. A list of the current committee members will be given to you on Orientation Day at the beginning of each new school year.

STAFF RATIO

Our Five’s program runs Monday through Thursday. There is one teacher for each group of 12 students in the Five’s and a teacher assistant for both groups. The staff at Rainbow Days also includes a music teacher who works with each class for twenty-five minutes each day, an office assistant, an assistant director and a director.

Governing of the Five Year Old Enrichment Class

The Five Year Old Enrichment Class is governed by the Administrators of the program and the members of the Parent Advisory Committee for Rainbow Days, and shall follow all of the rules and regulations set forth by that program and Committee. Included in the handbook are the policies concerning discipline, safety, medication, class parties, and anything else pertinent to the education, care, and safety of the children enrolled at Rainbow Days.

UNIQUENESS OF THE FIVE 'S' ENRICHMENT CLASS

What makes our enrichment class unique is the individual focus we give to each child, allowing him or her to progress at an individual rate of development. The class accommodates a broad range of children's individual differences in prior experiences, maturation rate, learning styles, needs, and interests. The curriculum we use incorporates a wide variety of learning experiences, materials, equipment, and instructional strategies. The ratio of children per adults is very small allowing the child a considerable amount of individual attention.

PHILOSOPHY OF THE FIVE'S ENRICHMENT CLASS

We will provide an environment that is developmentally appropriate and based on the individuality of each child in attendance. Children will be offered enrichment activities that will enhance their abilities, and challenge them to move ahead. The class will encourage children to wonder, explore, and be creative in their learning. The purpose of this class will be to help the children become independent learners, to develop good habits, and to feel good about themselves.

Our definition of "Developmentally Appropriate Practice"

Research and experience tell us that to be effective with young children, teaching practices need to be "developmentally appropriate." What this means is simply that educators need to be aware of how children learn about and experience their world. Early childhood, after all, is a time of life quite different from adulthood. Children learn far better through direct interactive experiences than through just listening to someone talk. They learn extraordinary amounts through play and exploration.

MONTHLY TUITION AND FEES

Tuition is based on the expected cost of operating the program. Periodically during the year fundraisers will be planned to purchase major items that will benefit the program, the building facility and the church playground. Rainbow Days is a part of St. Jude Catholic Church. Costs for running the program are evaluated every year, and the Parent Advisory Committee makes recommendations for any increases. The tuition payment is **divided equally by nine months**. The tuition fee is due by the 10th of each month. A **late fee of \$10.00** is assessed for tuition's received after the 10th of the month. There is a \$10.00 fee for any returned checks. If this occurs more than once we require a cash payment each month. **Tuitions are due August through April.**

ESSENTIALS

BACKPACK:

All children will need a backpack large enough to carry their needs: folder, lunch box and class projects. *A change of clothes will need to be placed in a large, labeled Ziploc bag that we will store at school.* (All items must be clearly labeled with your child's full name.)

CLOTHING:

Children should wear washable play clothes, and preferably rubber-soled shoes. Cowboy boots and sandals are really a hindrance on the playground, and we would appreciate it if your child saved them for a rainy day. Since spills and splashes do happen with all children, please include a COMPLETE change of clothes in your child's backpack. Please LABEL all the items with your child's name. This will help us avoid any confusion. Check outside the Rainbow Days office for lost and found items. Shorts should be worn under dresses and skirts. This is for their safety and comfort especially on the playground.

FOOD:

Rainbow Days provides a small snack in the early afternoon for the five's. Please notify the office, and the teacher of any specific food allergies so that we can provide specific instructions in regards to snacks and doctor's statements. . We serve water or 100% juice that is fortified with vitamin 'C' at snack time. We keep a monthly calendar on the door of the office detailing our snacks.

Children should bring a lunch box with a drink—NO CARBONATED BEVERAGES. Because of our licensing with the state your child does need to have items in their lunch box that come from each of the four major food groups. The lunches should include items your child likes. Please do NOT send candy in your child's lunch. When children see the candy they sometimes have difficulty eating the nutritional part of their lunch. Children are not allowed to share foods with other children. We will give you more specific information concerning this the first week of school. Please LABEL all items in your child's lunch box, thermos and lid. These items can be lost easily.

ALLERGIES:

Due to the increase of peanut allergies, we no longer serve peanut products as a snack. We monitor the ingredients of the snacks we do serve. **No NUT PRODUCTS of any kind are allowed at the Rainbow Days Program at any time.** *see page 14 for more information

TOYS:

If during the year your child has a book or toy item that relates to the unit the children are studying, please feel free to send it to class. We ask that you keep all other toy items at home.

FIELD TRIPS:

Due to State of Texas requirements regarding transportation of children, Rainbow Days does not sponsor field trips. Instead we provide opportunities during the year for parents to present "in-house" field trips and share their job and/or talent with the children. We also invite members of the community to present to the children. (ie: firemen, etc.)

SAFETY MEASURE:

Please use care in entering and leaving the parking lot. **DRIVE CAREFULLY!** If one person is bringing a group of children, this person is responsible for seeing that each child is accompanied to the classroom and left there with the teacher's acknowledgement.

Children may not be left unattended on the playground or in vehicles on the St. Jude property.

The safety and well being of each child at Rainbow Days is a priority. Every precaution is taken to prevent accidents and mishaps. When we have knowledge of a problem you will be notified in writing or by phone.

- All parents who want to have the opportunity to work in the classroom must complete the safety program at St. Jude.

BIRTHDAY CELEBRATIONS:

We try to make birthdays very special for your child. They will usually be celebrated during the class snack time. Children whose birthdays fall during the summer months may choose to celebrate their 'half' birthdays. Please contact your child's teacher regarding an appropriate snack to share with the class (You will also receive a list of items that are appropriate the first week of school). Please keep this class celebration simple. Each child will receive a special prize during music, and we make them a birthday crown for the day.

**see page 14 for more information*

HOLIDAY CELEBRATIONS:

Classroom parties will be held for the various holidays during the year. Please contact your child's teacher to sign up for snacks, paper products, or the drinks for a special holiday. Rainbow Days Party Snack Policy: Labels need to be on the sealed food products; Homemade items must contain no nut products – please label with ingredients; Juice products must be 100% juice. Specific information about party foods will be provided at the beginning of the school year. We welcome parent involvement with these parties, but we do ask that you make arrangements for your younger children. Parents may wish to share responsibilities with younger siblings by watching children for one party, and participating at the party the next time.

SHARE SACK/BUCKET/BACKPACKS:

Periodically your child will bring a sack or bucket home that contains specific instructions. Please take the time to assist your child in completing the project.

HEALTH REQUIREMENTS

Your child's health is a matter of major importance to us. Upon enrollment you must provide us with a health form signed by a physician. We also require that your child have certain standard immunizations.

You will be contacted if your child appears to have symptoms of illness during the day.

★ PLEASE KEEP YOUR CHILD HOME IF:

- ❖ Your child has a fever or has had one during the previous 24-hour period.
- ❖ Your child has a heavy nasal discharge.
- ❖ Your child shows signs of an illness ~ vomiting, diarrhea, bad cough, etc.
- ❖ Your child has an open sore that cannot be covered.
- ❖ Your child has anything that is considered infectious.

Please notify the teacher if your child has been exposed to and contacted a communicable disease. If your child has been exposed to a communicable disease you will be informed.

NOTES NEEDED FROM PHYSICIAN

When your child has a communicable disease that requires a visit to their physician; such as strep throat or chicken pox, the doctor must indicate when he/she may return to preschool. The signed statement from the doctor must state when your child may return to preschool. It may be a simple statement like: "John may return to preschool when he is free of fever for 48 hours and has taken 3 doses of the prescribed medication."

NOTIFICATION OF THE PREVALENCE OF A COMMUNICABLE DISEASE

Written notes composed by the office staff will be sent home with each child with specific instructions about the disease. These notes may include information about chicken pox, strep throat, head lice and other communicable diseases. At appropriate times a separate email may be sent.

MEDICATION

WE WILL ONLY DISPENSE MEDICATIONS TO YOUR CHILD UNDER THE FOLLOWING CONDITIONS:

PRESCRIPTION MEDICATIONS must be in the original container with your child's name, a date, directions, and the physician's name printed on the container. We will not administer any medication that has expired.

NON-PRESCRIPTION MEDICATION will be given if it is labeled with the child's name, the date it is brought to Rainbow Days, specific instructions, and the medicine is in its original container.

PARENTS MUST SIGN THE MEDICATION PERMISSION SLIP WHEN THEY SEND ANY MEDICINE.

The forms are available on the cart outside the Rainbow Days office.

In case of accidental injury we will make an immediate attempt to contact parents. If we cannot reach you, we will call the child's physician. If necessary we will also call an ambulance, or the paramedics. It is for your child's benefit that you keep the school up-to-date on phone numbers.

PARENTS MUST SIGN AN ILLNESS/INJURY FORM when they pick their child up from school if we call them because they became ill at Rainbow Days or they were injured. The form will be in the classroom.

OTHER MEDICAL INFORMATION

Vision and Hearing Screenings are required by Texas Law (Special Senses and Communication Disorders Act of 1983) for all four and five year olds. Parents have the opportunity to use their personal physicians for these screenings or to use the professional screener that Rainbow Days provides on site once a year.

TB Tests for children are currently not required by the Health Department of Collin County or Rainbow Days. For the employees of Rainbow Days a TB test is required yearly beginning the fall of 2010. As Health Department policies change we will keep you informed.

SPECIAL POLICIES

SAFETY TRAINING: ST. JUDE SAFE ENVIRONMENT PROGRAM:

All staff members and volunteers working with children at St. Jude must complete the Safe Environment program provided at St. Jude. The program consists of a two hour training session, a criminal background check, reference check, viewing a video, and an interview. An application and 3 references are required. Once all areas are completed a badge is made to indicate that the person is cleared to work with children. Each year there is a requirement for re-certification. Check with the Rainbow Days office for specific dates.

REPORTING ABUSE AND NEGLECT

Texas state law requires caregivers to report any suspected abuse or neglect of a child to the Texas Department of Family and Protective Services or a law enforcement agency. Call **1-800-252-5400** to make confidential reports. Failure to report suspected abuse or neglect is a crime. Employers are prohibited from retaliating against caregivers who make reports in good faith.

DISCIPLINE:

We encourage good conduct with a minimum amount of authoritative discipline. Any form of corporal punishment is NOT consistent with the philosophy of Rainbow Days. It is NOT used. However, each child is expected to follow the rules of the program. TIME-OUT is the form of discipline we use. In the course of the day if your child has been in time-out but the situation is resolved with no other occurrences, we will not call attention to it again by mentioning it to you. **Our goal at Rainbow Days is to help children develop a positive self-image. We hope to encourage children to be self-directed and to exhibit self-control.**

Parents will also read and sign an acknowledgement form the first year the child is enrolled. Page 10 of the Parent Handbook gives a more detailed explanation of the Discipline and Guidance Policy of the program.

When a child has difficulty adjusting to the rules and/or routine of Rainbow Days, and displays disruptive or dangerous behavior to himself or others, the Director will call a parent conference. The Director will plan the meeting at which the director, the teacher, and both parents, will discuss the child's behavior, and a plan will be implemented for use in the classroom. If after using this plan for a reasonable amount of time, the child is still disrupting the activities of the rest of the class, one further conference will be held. At this conference stricter guidelines will be introduced, and the parent may be required to attend class with their child for a designated length of time. If further incidents occur, the child will be released from the program. ***see Discipline and Guidance Policy on page 10**

CHECK-IN AND CHECK-OUT POLICY:

If drop off is after 9:05 am or pick up is before 2:00 pm, you must check in at the office and sign the book on the brown cart. Attendance and tardiness are recorded for the report card.

AUTHORIZATION TO PICK UP CHILD:

A child will not be released to a person who is not authorized by a parent to pick the child up. We must have written authorization for changes. In cases where a note has not been received, you must call the Rainbow Days office with the name and description of the person who will come for your child. This person must come to the office and show their driver's license and sign the child out before going to the classroom.

ATTENDANCE NOTIFICATION

It is helpful if you call or e-mail the office when your child is going to miss a day of school.

214-644-2080(direct line) or 972-727-1177 x2223 or rainbowdays@stjudeparish.com

WITHDRAWALS:

If you find it necessary to withdraw your child from the program, we require that you give the Rainbow Days Office **at least one month's notice**. Tuition is due for this entire time regardless of whether the child attends school or not. Those waiting for a vacancy will need time to make preparations for attendance.

STAFF DEVELOPMENT DAYS

Because of licensing requirements, all staff members are required to complete training hours. Some years we may dismiss early on a day to provide the team with extra training. Notice will be given through letters home.

RESOURCES FOR PARENTS

CONFERENCES: Our philosophy is that parents and teachers together can help your child develop to his/her full human potential. We strive for a good parent-teacher relationship. The five-year-old class holds two individual conferences, one in the early fall, and the second one in the early spring. You will also receive a written progress report before the Christmas holiday and a final progress report at the end of the year.

OPEN DOOR POLICY: The Director and the Assistant Director are available for conferences at any time and for any reason with any parents of children enrolled at Rainbow Days. Appointments are appreciated, but not necessary. Please speak with Julie Buchanan or Liz Moore. Parents are welcome at Rainbow Days Preschool at any time during the day. Families with children not enrolled in the program but wishing to visit the center must call and set up an appointment before coming to the center. The hours scheduled for these visits are between 9:30am and 11:00am.

ROOM PARENT: A parent from each classroom may volunteer to help the teacher contact all of the class's parents for any special events. This parent handles the calling of the parents for the parties, special school functions, and any fund-raisers. We ask that the room parent, as well as any other parents who wish to work in the classroom, complete the safety program at St. Jude.

PARENT INVOLVEMENT DAYS: These work days are scheduled four times during the year to allow parents to help with items needed in the classroom, and to give you the opportunity to socialize with other parents. The sessions last from 9:00-10:30 A.M. The Five's Class also has specific classroom help opportunities. Lots of Moms and Dads have helped to make this a very successful program!!

PARENT LIBRARY: On the cart outside the Rainbow Days office we have a number of books, magazines, and pamphlets for your reading pleasure!! We tried to collect various parenting resources for you to check-out and read to help you enhance your parenting skills. The resources may be checked out weekly using our honor system. We ask that you not keep any of the materials for more than a month.

PARENTING CLASSES: We will conduct short classes on various topics, periodically during the year, revolving around the enhancement of our parenting skills. These are optional classes, but have proven to be beneficial to those who attend.

“RAINBOW DAYS GAZETTE” This is our monthly parent’s newsletter. The first issue will give you information about all of the staff members, and explain a little bit about the focus of the program. Each issue gives you ideas of things to do with your children, an update on happenings at Rainbow Days, and other newsworthy items. Parents have an opportunity to advertise in our newsletter. The cost is minimal, and it reaches approximately 180 families!

PARENT VOLUNTEERS: Parents are welcome in the classroom! Please talk with your child’s teacher about the opportunities that are open to you in the classroom. If you have any special talents you would like to share with the children or the staff please let us know. **We ask that each family volunteer for at least two activities during the year. Volunteers in the classroom must complete the safety-training program at St. Jude; however, there are many important opportunities to volunteer which do not involve supervising children.**

SUBSTITUTES: If you are interested in helping at Rainbow Days when a staff member is out we do offer a training program for our substitutes. Because of new state standards the training is more extensive. The training will take place as soon as school begins and requires 8 hours of training before we can call you to substitute. You will also need to be fingerprinted, have a TB test and provide us with a copy of your diploma/transcript. During the year you will need to attend an additional 15 hours of training. It’s a great opportunity to see how the program really works, see your child at play, and make a little spending money. You must complete the safety training at St. Jude also. Please check the church bulletin for specific training dates. This is a paid position! **If you are interested in being a substitute please talk with us as soon as possible.**

VISITORS: All are welcome! Families with children not enrolled . . . please check in at the reception area.

Texas Administrative Code, Title 40, Chapters 746 and 747, Subchapters L, Discipline and Guidance

Our goal at Rainbow Days is to help children develop a positive self-image. We hope to encourage children to be self-directed and to exhibit self-control. When a child has difficulty adjusting to the rules and/or routine of Rainbow Days, and displays disruptive or dangerous behavior to himself and others, the director, the coordinator, the teacher, and both parents will call a conference and discuss the child's behavior, and a plan will be implemented for use in the classroom. If after using this plan for a reasonable amount of time, the child is still disrupting the activities of the rest of the class, one further conference will be held. At this conference stricter guidelines will be introduced, and the parent may be required to attend class with their child for a designated length of time. If further incidents occur, the child will be released from the program.

“THE GIFT OF THE CAR RIDE HOME”: If during the course of the day your child has had a “time-out”, but then doesn't exhibit the difficulty again we will not mention it to you, because the difficulty has been corrected. Please know that we have the best interest of your child in mind, and we will share all necessary information with you.

Parent Discipline Policy: Parents may not use any form of corporal punishment (spanking, slapping, etc.) with their child when they are on the St. Jude property. Rainbow Days is a licensed facility and any form of corporal punishment in this facility is against the law.

Rainbow Days Safety Policies

Emergency Relocation Procedures:

In case of an emergency and the City of Allen Fire Department evacuates our facility, you may pick up your children at:

First United Methodist Church
601 S. Greenville Avenue
Allen, TX 75002
972-396-7575

The on-site relocation place is the main St. Jude church building

If we have an emergency such as this, every effort will be made to contact each individual family.

Please keep the Rainbow Days office informed of any changes in your contact information.

EMERGENCY PREPAREDNESS

Rainbow Days Preschool has developed an extensive document of procedures for various emergencies. The document is located in the Rainbow Days office for your viewing. A synopsis is as follows:

- Each teacher carries an emergency bag that contains a class list with names and numbers for each child, a first aid kit, supplies to use to occupy the children during an emergency, and a flashlight.
- Each room in the building has designated routes for evacuation in the event of a fire or tornado.
- We practice fire drills every month, and tornado drills twice a year.
- Rainbow Days has two alternative sites in case there is a disaster emergency in the education building. The evacuation site on the St. Jude property is the main church, located north of the Education Building. The offsite relocation site is First United Methodist Church on Greenville Avenue in Allen.
- The Allen Fire Department will assist us in making a decision of how to transport the children to First United Methodist Church if they feel it is necessary to leave the premises because of the emergency.
- In the event that we need to evacuate the children from the St. Jude property the teachers will make every attempt to call parents and give the information on how to pick up your child.
- All the staff of Rainbow Days will work to ensure the safety of every child.

Emergency Notification and Notification of an illness:

Parents will be called using the numbers they have given us on the enrollment form. Every number will be called until they are reached. If no number reaches any parent or guardian then an e-mail will be sent.

Fire Drill and Tornado Drill:

We practice fire drills with the children monthly. We also practice a tornado drill during the year.

Playground Policies:

The playground is divided into two sections. The two and three year olds play only on the play area on the east side. The four and five year olds play on the west side, and sometimes on the east side. Children are taught the proper use of the equipment such as, ladders are for climbing and slides are for sliding. We appreciate parents following these same guidelines with their own children. We have two adults on the playground supervising the children during Rainbow Days. It is the policy of St. Jude that no child is allowed on the playground without adult supervision. Rules are posted on the door to the playground

Parent Supervision of Children on the Playground: If you choose to go on the playground with your children after Rainbow Days hours you must still follow the playground rules that are posted since you are on St. Jude property.

- You are solely responsible for your child's safety once they are dismissed from the preschool classroom.
- Children under the age of four may only use the playground to the east (the newest equipment) of the south facing door. Children over four may use both playground areas.
- All equipment must be used properly. Slides are for sliding down on bottoms, ladders are for climbing up, and swings are for swinging.

Parent Supervision of Children in the Courtyard:

- You are solely responsible for your child's safety once they are dismissed from the preschool classroom.
- Children's feet should remain on the ground. They should not be allowed to walk or run around the ledge of the fountain.
